## Guidance:

- The hierarchy rule does not apply to arson. Any other reportable Part I or Part II offense occurring in conjunction with an arson will also be reported on the appropriate report form and the arson will be reported here. (Example: Offender commits a murder, then sets dwelling on fire to cover the murder. Report the murder on the Return A and the arson on this report.)
- If one of the property crimes (burglary, larceny, or motor vehicle theft) occurs in conjunction with the arson, the value of the stolen property will be reported on the Supplement to Return A and the value of the structure damaged/destroyed by arson (smoke, water, etc.) will be reported on this report.
